Name & Signature of the
Inspecting Officer

All Administrators/Estate Officers,

Memo No. Enf.Off./HUDA/6593-6615

Dated:15.02.2008

Sub:- **INSPECTION OF SECTORS.**

As has been decided in the last Review Meeting held on 24.1.2008 at Kurukshetra, Inspection of atleast one Sector has to be done by each full time Estate Officer in a fortnight and in a month by those Estate Officers who are holding additional charge. A proforma in which this report has to be sent is enclosed. The inspection is to be done after giving due notice to the concerned RWA and if no RWA exists, effort should be made by Estate Officer to get one RWA constituted by motivating the residents so that we can go in the direction of self governance by the RWAs. Though we have made a very small and humble beginning by deciding to hand over the maintenance of parks in Sectors to RWAs but gradually more & more services and a greater role can be assigned to them.

2. Though the proforma seems to be lengthy but some of the information can be filled up by the Estate Officer in the office itself as the record is readily available in the office. It is important not only to conduct the inspection but also to take up follow up action. If any discrepancy is noted in the maintenance of the Sector, for example, if the potholes are found on the roads in the Sector, the matter may be brought to the notice of the concerned SDO/XEN. Emphasis should be not on generation of papers but on improving the physical condition and maintenance of the Sector, which should help in improving the HUDA's image in the eyes of public. I am sure that if Sectors are inspected in right spirit, you will witness sea change in the perception about HUDA in the minds of public.

Hoping for your earnest cooperation,

Encl: as above
