GENERAL RULES AND DIRECTIONS FOR THE GUIDANCE OF CONTRACTOR.

1. All work proposed for execution by Contract will be notified in a shape of 'Notice' pasted on a board hung up in the office duly signed by the Executive Engineer Haryana Urbana Development Authority referred to as Engineer-in-Charge. The detailed form of "NOTICE INVITING TENDER" can be seen in the office of Executive Engineer on any working day during working hours. This will state the work to be carried out as well as the date for submitting, opening of tenders and the time allowed for carrying out the work and the amount of security to be deposited by the successful tenderer, copies of the specification, design and drawings Contract Schedule of rates and also a 'Schedule of Ceiling Premium by which the rates for various items of the Contract schedule of rates, shall be increased or decreased, so as to be called the "Ceiling Rates". Further any other documents required in connection with the works for the purpose of identification by the Executive Engineer shall also be opened for inspection by the contractor in the office of the Executive Engineer during office hours.
2. In event of the tender being submitted by a firm, it must be signed separately by each member thereof, or, in the event of the absence of any partner, it must be signed on his behalf, by a person holding power of attorney authorizing him to do so.
3. Any person who submits a tender shall fill up the usual printed form stating the percentage rate above or below the "Ceiling Rates" as defined in Rule 1 at which he is willing to undertake the work. Only a single rate of percentage above / below on all items of the contract Schedule shall be mentioned in the space provided in the Tender Form. For the purpose of this single rate please see Explanatory Memo below which explains the manner in which the admissible payment shall be worked out after taking into consideration the sanctioned Ceiling Premium as enumerated in the 'Schedule of ceiling Premium' mentioned in Rule 1 and the rate quoted by the contractor. Any rate entered outside this space may make the tender invalid. If a contractor quote more than one rate in case, only lower or lowest of the rates quoted shall be applicable and a counter offer shall be made to him accordingly at the lowest of the rates so quoted by him and in the event of his not accepting the same, his earnest money shall stand forfeited and the contractor shall have no claim to the same whatsoever.

No single tender shall include more than one work, but contractor who wishes to tender for two or more works, shall submit separate tenders for each work. Tenders shall have the name and number of the work to which they refer written outside the envelop, in which these are sealed.

EXPLANATORY MEMO REFER TO RULE 3 OF GENERAL RULES AND DIRECTONS FOR THE GUIDANCE OF CONTRACTORS

For the purpose, the basic rate for particular item specified in the Contract Schedule of Rate shall be increased by the sanctioned ceiling premium as per the "Schedule of Ceiling premium" which is attached and is a part of the form. The total amount shall then be subjected to the Discount or premium quoted by the contractor.

For example the basis rate of an item is Rs. 120/- per cum and sanctioned premium is 50% and 300 cum of the item 'A' is executed and for example, the rate quoted by Contractor is 3% below the ceiling rate.

<u>QUANTITY</u>	<u>ITEM</u>	<u>UNIT</u>	<u>RATE</u>	<u>AMOUNT</u>
300 cum	'A'	cum	Rs. 120/-	Rs. 36,000/-
			Add ceiling premium @ 50%	Rs. 18,000/-
			Gross Total :-	Rs. 54,000/-
			Less contractor rate 3% below ceiling rate	Rs. 1,620/-
			Net payable	Rs. 52,380/-
			If the rates quoted by the contractor was 5% above the amount net payable would be as under:- Gross Total	Rs. 54,000/-
			Add Contractor's Rate 5% above ceiling rate	Rs. 2,700/-
			Net payable	Rs. 56,700/-

Note : The above net payments worked out are further subject to the deductions like: **Income Tax, Surcharge, Works tax etc. as per Govt. Instructions. The recoveries of all material issued from the HUDA store shall be made from the bills.**

4. The tender Receiving Committee or its authorized assistant will open tenders in the presence of intending contractors or their authorized agents who may like to be present at that time, and will enter the rate of all tenders. In the event of a tender being accepted, a receipt for the earnest money forwarded therewith shall be given to the contractor. In the event of tender being rejected, the earnest money forwarded with such unaccepted tender shall be returned to the contractor.
5. The Executive Engineer reserves the right to reject all or any of the tender without assigning any reason.
6. The Haryana Urbana Development Authority may refuse or suspend payments on account of a work which is executed by firm or by contractor described in their tender as a firm, unless receipt are signed by all the partners, or one of the partners, or some other person produces written Authority enabling him to give effectual receipt on behalf of the firm.
7. The receipt of an Divisional Accountant or Dy. Supdt. for any money paid by the Contractor will be considered as an acknowledgement of payment to Executive Engineer and the contractor shall be responsible for ensuring that he procures a receipt, duly signed by an authorized person.
8. The memorandum of work tendered for an the memorandum of materials to be supplied by the Haryana Urbana Development Authority and their issue rates, shall be filled in and completed in the office of the Executive Engineer before the tender is issued to an intending tenderer, without having been so filled in and completed he shall request the office to have the done before he completes & deliver the tender.

TENDER FOR WORKS

- Clause – 1** **Security deposit. This will be the same percentage as that in the tender at (d) of pre-page.** The person / persons whose tender may be accepted (hereinafter called contractor) shall deposit an amount equal to five percent of the estimated cost of the work with the Executive Engineer (Earnest money shall be accounted as per memorandum) within 10 days of the acceptance of the tender by way of security deposit in case of default, the earnest money already lying with Executive Engineer shall stand absolutely forfeited to” the Haryana Urbana Development Authority or its successor in office and the contract shall stand terminated or in alternative, at the discretion of the Engineer-in-charge, the contract may be required to permit Haryana Urbana Development Authority at the time of making any payment to him for work done under the contract to deduct such sum as well (with the earnest money deposited by him) amount to 5% of all moneys so payable, such deductions to be held by Haryana Urbana Development Authority by way of security deposit. All compensation or other sums of money payable by the contractor to Haryana Urbana Development Authority under the terms of this contract may be deducted from his security deposit or from any sums which may be due or may become due to the contractor by Haryana Urbana Development Authority on any account whatsoever and in the event of his security deposit being deducted by reason of any deduction, the contractor shall within 10 days thereafter make good in cash as aforesaid any sum which may have been deducted from his security deposit or any part thereof.
- Clause – 2** **Compensation of Delay :** The time allowed for carrying out the works as entered in the tender shall be strictly observed by the contractor and shall be reckoned from the date on which the order to commence work is given to the contractor. The work shall throughout the stipulated period of the contract be proceeded with all due diligence (time being deemed to be the essence of the contract on the part of the contractor) and the contractor shall pay as compensation an amount equal to one percent which the Executive Engineer-in-charge may levy on the estimated cost of the whole work as shown by the tender for everyday that the works remains un-commenced or unfinished, after the proper dates. And further to ensure good progress during the execution of the work the contractor shall be bound in all such cases in which the time allowed for any work exceeds one month to, complete one fourth of the whole of the work before one fourth of the whole of time allowed under the contract has elapsed, one half of the work before one half of such time has elapsed and three fourth of the work before three fourth such time has elapsed. In the event of the contractor failing to comply with this condition, he shall be liable to pay as compensation, an amount equal to one percent which the Executive-Engineer-in-Charge may levy on the said estimated cost of the whole work for everyday that the due quantity of work remains incomplete. Provided always that the entire amount of compensation to be paid” under the provisions of this clause shall not exceed ten percent of the estimated cost of work as shown in the tender. The Superintending Engineer, HUDA, Circle, Rohtak may on representation from the contractor, reduce of compensation and his decision, in writing shall be final.
- Clause – 3** **Action when whose of security deposit is forfeited :** In any case in which under any clause in the contract, the contractor shall have rendered himself liable to pay any compensation to the Executive Engineer on behalf of the Haryana Urbana Development Authority shall have power to adopt any of the following courses, as he may deem best suited in the interest of Haryana Urbana Development Authority:-

CONTRACTOR

WITNESS

EXECUTIVE ENGINEER

XEN

- a) To rescind the contract of which rescission notice in writing to the contractor under the hand of the Executive Engineer shall be conclusive evidence and in such case the security deposit of the contractor shall stand forfeited and belong absolutely to the Haryana Urbana Development Authority.
- b) To employ labour paid by the Haryana Urbana Development Authority to supply material to carry out the work or any part of work debiting the contractor with the cost of the labour and the price of the materials (for the amount a certificate of the Executive Engineer shall be final and conclusive, against the contractor) and crediting him with the value of the work done in all respect in the same manner and at the same rate as if it had been carried out by the contractor under the terms of his contract. The certificate of Executive Engineer as to the value of the work done shall be final and conclusive against contractor.
- c) To measure up the work of the contractor, and to take such part thereof as shall be unexecuted out of his hands and to give it to another contractor to complete, in which case any expenses which may be incurred in excess of the sum which would have been paid to the original contractor of the whole work has been executed by him (for the amount the certificate in writing of the Executive Engineer shall be final and conclusive) shall be borne and paid by the original contractor and may be deducted from any money due to him by Haryana Urbana Development Authority under the contract or otherwise or from his security deposit.

In the event of any of the above courses adopted by the Executive Engineer, the contractor shall have no claim for the compensation for any loss sustained by him by reason of his having purchased or procured any materials or entered into any engagement or made any advance on account or with a view to the execution of the work or the performance of the contract and in case the contract shall be rescinded under the provision aforesaid the contractor shall not be entitled to recover or be paid any sum for any work thereof, actually performed under this contract unless and until the Executive Engineer have certified, in writing, the performance of such work and the value payable in respect, thereof, and he shall only be entitled to be paid the value so certified.

Clause – 4 Contractor remains liable to pay compensation if action not taken under clause-3 : In any case in which any of the powers conferred upon the Executive Engineer by clause-3 hereof shall have become exercisable and the same shall not exercised the non-exercise thereof shall not constitute a waiver of any of the condition thereof and such powers shall notwithstanding be exercisable in the event of any future case of default by the contractor for which by any clauses thereof he is declared liable to pay compensation amounting to the whole of his security deposit and the liability of contractor, for past and future compensation shall remain unaffected.

Power to take possession or require removal or sell contractor's plant : In the event of the Executive Engineer putting in force either of the power (a) or (c) vested in him under the proceeding clause he may, if he so desire to take possession of all or any tools, plant, materials and stores in or upon the works, or at the site thereof or belonging to the contractor or procured by him and intended to be used for execution of the work or any part thereof paying or allowing for the same on account at the contract rates, in case of these not being applicable at current market rates to be certified by the Executive Engineer where certificate thereof shall be final, otherwise the Executive Engineer may by notice, in writing, to the contractor or his clerk of the work, foreman or other authorised agent require him to remove such tools, plants,

CONTRACTOR

WITNESS

EXECUTIVE ENGINEER

XEN

materials or stores from the premises within a time to be specified in such notice and in the event of the contractor failing to comply with any such requisition, the Executive Engineer may remove them at the contractor's expense or sell them by auction or private sale on account of the contractor and at his risk in all respect and the certificate of the Executive Engineer to the expenses for such removal and the amount of the proceeds and expenses, if any, shall be final and conclusive against the contractor.

Clause – 5 **Extension of time :** If the contractor desire an extension of the time for completion of the work on the ground of his having been unavoidably hindered in its execution or on any other ground, he shall apply, in writing, to the Executive Engineer within 30 days of the date of the hindrance but before the expiry of the contractual period on account of which he desires such extension as aforesaid and the competent authority shall, if in his opinion (which shall be final reasonable ground) be shown therefore authorize such extension of time if any so may in his opinion be necessary or proper.

Clause – 5 (a) **Contractor to submit a return every month on any work claimed as extra :** The District rate mean the Haryana PWD Building and Road Branch rates for that District

The contractor shall deliver in the office of the Executive Engineer on or before 10th day of every month during the continuance of the work covered by this contract a return showing details of any work claimed for as extra and such return shall contain the value of such work as claimed by the contractor, which value shall be based upon the prices in the contract or in Schedule of rates inforce in the District for the time being. The contractor shall include in such monthly return particulars of all claims of whatsoever kind. However arising which at the date thereof, he has or may claim to have against the Executive Engineer under or in respect of or in any manner, arising out of the execution of work and the contractor shall be deemed to have waived all claims not included in such return and will have no right to enforce any such claim not so included whatsoever be the circumstances.

Clause-6

Without prejudice to the right of Haryana Urban Development Authority, under any clause hereinafter contained on completion of the work, the contractor shall be furnished with the certificate by the Executive Engineer (hereinafter called the Engineer-in-charge) of such completion but no such certificate shall be given nor work shall be considered to be completed until the contractor shall have removed from the premises on which the work shall be executed all scaffolding, surplus materials and rubbish and clean off dirt from all wood works, floor, other parts of any building in, upon or around which the work is to be executed, or part of which he had in possession for the purpose of the execution thereof and the measurements in the said certificate shall be binding and conclusive against the contractor. If the contractor shall fail to comply with the requirements of this clause as to removal of scaffolding, surplus materials and rubbish and cleaning of dirt on or before the date fixed for the completion of the work, the Engineer-in-charge at the expense of the contractor shall remove such scaffolding, surplus materials and rubbish and dispose of the same as he may think fit and clean off such dirt as aforesaid and the contractor shall pay the amount of all expenses so incurred and shall have no claim in respect of any such scaffolding or such surplus materials as aforesaid except for any sum actually realized on account of sales thereof.

Clause – 7 **Payments on intermediate certificates to be regarded as advances :** No payment shall be made for works estimated to cost less than Rs. One Thousand, till the whole of the works shall have been completed and the certificate of completion given. But in the case of work estimated to cost more than Rs. One Thousand the contractor not submitting the bill thereof, be entitled to receive a monthly payment proportionate to the part thereof as approved and passed by Engineer-in-Charge, whose certificate of

CONTRACTOR

WITNESS

EXECUTIVE ENGINEER

XEN

such approval and passing of the sum so payable shall be final and conclusive against the contractor. But all such intermediate payment shall be regarded as payments by way of advances against the final payment only and not as payments for the works actually done and completed and shall not preclude the requiring of bad, unsound and imperfect or unskilled work to be removed and taken away and reconstructed, or re-elected or be considered as an admission of due performance of the contract or any part thereof in any respect or the accruing of any claim. Nor shall it conclude, determine or effect in any way the powers of the Engineer-in-charge under these terms and conditions or any of them as far the final settlement and adjustments of the accounts or otherwise or in any other way vary or effect the contract. The final bill shall be submitted by the contractor within one month of the date fixed for completion of the work, otherwise the Engineer-in-charge's certificate of the measurements and the total amount payable for work, accordingly, shall be final and binding on all parties. The amount, payable, however, shall be determined after pre-audit of the bill by the accounts Departments authorities within fifteen days of the presentation of the bill by the Engineer-in-charge to Accounts Department, otherwise the amount already determined by the Engineer-in-charge shall become binding on both parties. Both the Engineer-in-charge and the Accounts Departments shall inform the contractors by registered post about the facts of the movement of the final bill and the amount thereof.

Clause – 7 (a) The deduction referred to in Clause I herein before or such part thereof as may be due to contractor under this contract shall be payable to contractor after a period of three months has lapsed after the payment of final bill.

Clause - 8 **Bills to be submitted monthly :** A bill shall be submitted by the contractor each month on or before the date fixed by the Engineer-in-charge for all work executed in the previous month and the Engineer-in-charge shall take the requisite measurement for the purpose of having the same verified and the claim, as far as admissible, adjusted if possible, before the expiry of ten days from the presentation of the bill. If the contractor do not submit the bill within the time fixed as aforesaid, the Engineer-in-charge may depute a subordinate to measure up the said work in the presence of the contractor whose counter signature to the measurement list will be sufficient and the Engineer-in-charge may prepare, a bill from such list which shall be binding on the contractor in all respect.

Clause – 9 **Bills to be on printed forms :** The contractors shall submit all bills, in triplicate, on printed forms to be had on application from the office of the Engineer-in-charge and the charge in the bills shall always be entered at the rates specified in the tender or in the case of any extra works ordered in pursuance of these conditions and not mentioned or provided for in the tender at the rate hereinafter provided for such work.

Clause – 10 If the specification of estimate of the work provides for the use of any special description of materials to be supplied from Engineer-in-charge's store or if it is required that contractor shall use certain store to be provided by the Engineer-in-charge (such materials and stores and the prices to be charged thereof as hereinafter mentioned being so far as practicable for the convenience of the contractor, but not so in any way to control the meaning for effect of this contract specified in the schedule or memorandum hereto annexed) the contractor shall be supplied with such materials and stores required from time to time to be used by him for the purpose of the contract only and the value of the full quantity of the materials and stores so supplied at the rates specified in the said schedule of memorandum may be set off or deducted from any sums due or thereafter to become due, to the contractor under the contract or otherwise against or from the security deposit. Materials supplied to the contractor.

CONTRACTOR

WITNESS

EXECUTIVE ENGINEER

XEN

shall remain the property of the HUDA and shall be kept in safe custody of contractor but shall not on any account be removed from the site of the work without the written permission of the Engineer-in-charge & shall all times be opened for inspection by him. Any such materials unused and in perfectly good condition at the time of the completion of the contract shall be returned to the Engineer-in-charge's store if by a notice, in writing, under his hand he shall so require, but the contractor shall not be entitled to return any such materials without such consent and shall have no claims for compensation on account of any such materials to be supplied to him as aforesaid being unused by him, or any wastage in or damage to any such materials.

Clause – 11 Works to be executed in accordance with specifications drawing orders etc :

The contractor shall execute the whole and every part of the work in most substantial and workmen like manner, both as regards to materials and otherwise in every respect in strict accordance with Haryana P.W.D. specification latest edition / specifications as may be specifically provided for. The contractor shall also confirm exactly, fully and faithfully to the designs, drawings and instructions in writing relating to the work (signed by the Engineer-in-charge) and lodged in the office and to which the contractor shall be entitled to have access at his office or at the site of the work. For the purpose of inspection during office hours, the contractors shall if he so requires, be entitled at his own expenses to make or cause to be made copies of the specifications and of all such designs and instruction as aforesaid.

Clause – 11 (A) Removal of employee workman and foreman : The Engineer-in-charge shall have full powers at all time to object to the employment of any workman, Foreman or other employees on the works by the contractor and if the contractor shall receive notice in writing from the Engineer-in-charge requesting the removal of such workman from the work, the contractor shall comply with the request forthwith. No such workman, foreman or other employees after his removal from the works by orders of the Engineer-in-charge shall be re-employed or engaged on the works by the contractor at any time, except with the prior approval, in writing, from the Engineer-in-charge.

The contractor shall not be entitled to demand the reason from the Engineer-in-charge, requiring the removal of any such workmen or other employees.

Clause – 12 Alterations in specifications and designs : The Engineer-in-charge shall have power to make any alternation or omission or additions from the original specifications, drawing, designs, and instructions that may appear to him to be necessary or advisable during the progress of the work and the contractor shall be bound to carry out the work in accordance with the instructions given to him, in writing, duly signed by the Engineer-in-charge and such alternations omission, additions or substitutions shall not invalidate the contract and any altered, additional or substituted work which the contractor may be directed to do in the manner above specified as part of the work shall be carried out by the contractor on the same rates, terms and conditions on which he agreed to do the main work. The time for the completion of the works shall be extended in the proportion that the altered, additional or substituted works bear to the original contract work and certificate of the Engineer-in-charge shall be conclusive as to such proportion. If the altered, additional or substituted work includes any class of work for which no rate is specified in this contract, then such class of work shall be carried out at the rate entered in the Haryana Schedule of rates, subject to the same percentage above or below for items and if such class or work is not entered in the Haryana PWD Schedule of rates, then the contractor shall within seven days of the date of his receipt of the order to carry out the work, inform the Engineer-in-charge of

CONTRACTOR

WITNESS

EXECUTIVE ENGINEER

XEN

the rate, which it is his intention to charge for such class of work. If Engineer-in-charge does not agree to his rate, he shall by notice, in writing, be at liberty to cancel his order to carry out such class of work and arrange to carry it out in such manner as he may consider advisable, provided always that the contractor shall commence the work or incur any expenditure in regard thereof before the rates shall have been determined herein before mentioned and in such case he shall be entitled to be paid in respect of the work carried out or expenditure incurred by him prior to the date of the determination of the rates as aforesaid according to such rate or rates as shall be fixed by the Engineer-in-charge. In the event of a dispute, the decision of respective Superintending Engineer, HUDA shall be final.

Clause – 13 **No compensation for alternation in or restriction of work to be carried out :** If at any time, after the commencement of the work, the Haryana Urban Development Authority shall for any reason whatsoever nor require the whole work thereof as specified in the tender to be carried out, the Engineer-in-charge shall give notice, in writing, of the fact to the contractors who shall have no claim to any payment or compensation, whatsoever on account of any profit or advantage which he might have derived from execution of the work not having been carried out, neither shall have any claim for compensation by reason of any alternation having been made in the original specification, drawing, designs and instructions which shall involve any curtailment of the work originally contemplated.

Clause – 14 **Action and compensation payable in case of bad work :** If it shall appear to the Engineer-in-charge or his subordinate-in-charge of the work, that any work has been executed with unsound, imperfect or unskilful workmanship or with material of any inferior description or that any material or article provided by him for the execution of the work are unsound or of a quality inferior to the contract or otherwise not in accordance with the contract, the contractor shall on demand, in writing, from the Engineer-in-charge specifying the work materials or articles complained or not withstanding that the same may have been inadvertently passed, certified and paid for the forthwith rectify or removed and reconstruct the work so specified in whole or in part as the case may require or as the case may be, remove the materials or articles so specified and provide other proper and suitable materials or article at his own charge and cost. In the event of its failing to do so within a period to be specified by the Engineer-in-charge in his demand aforesaid then the contractor shall be liable to pay compensation at the rate of one percent on the amount of estimate of everyday not exceeding 10 days, while his failure to do so shall continue and in case of any such failure the Engineer-in-Charge may rectify or remove and re-execute the work or remove and replace with other materials or articles complained of, as the case may be, at the risk and expense of the contractor.

Clause – 15 **Work to be open to inspections, contractor or his responsible agent to be present :** All works under or in course of execution of execution or executed in pursuance of the contract shall at all times be open to the inspection and supervision of the Engineer-in-charge and his subordinates and the contractor shall at times, during the usual working hours and at all other time with reasonable notice of the inspection of the Engineer-in-charge or his subordinates to visit the work shall have been given to the contractor either himself be present to receive orders and instructions, or have a responsible agent duly authorized, in writing, present for that purpose. Orders given to the contractor's agent shall considered to have the same force as they had been given to the contractor himself.

In case the arbitrator nominated by the Engineer-in-Chief / Chief Engineer, HUDA is unable or unwilling to act as arbitrator such for any reason, whatsoever the Engineer-in-Chief / Chief Engineer, HUDA shall be competent to appoint and nominate any other Superintending Engineer of HUDA as arbitrator in his place and the arbitrator so appointed shall be entitled to proceed with the reference.

iii) It is also a term of this arbitration agreement that no person other than a person appointed by the Engineer-in-Chief / Chief Engineer, HUDA shall act as arbitrator and if for any reason that is not possible the matter shall not be referred to arbitration at all. In all cases where the aggregate amount awarded exceeds Rs. 25000/- the arbitrator must invariably give reasons for his award in respect of each claim and counter / claims separately.

iv) The arbitrator shall award separately given his award against each claim and dispute raised by either party including any counter claim individually and that any lump-sum award shall not be legally enforceable.

v) The following matters shall not lie within the purview of arbitration:-

a) Any dispute relating to the levy of compensation as liquidated damages, which has already been referred to the Superintending Engineer and is being heard or / and has been finally decided by the Superintending Engineer-In-Charge of the work.

b) Any dispute in respect of substituted, altered, additional work / omitted work / defective work referred by the contractor for the decision of Superintending Engineer-in-Charge of the work if it is being heard or has already been decided by the said Superintending Engineer.

c) Any dispute regarding the scope of the work or its execution or suspension or abandonment that has been referred by the contractor for the decision of the HUDA and has been so decided finally by the HUDA.

vi) The independent claims of the party other than the one getting the arbitrator appointed, as also counter-claims of any party will be entertained by the arbitrator notwithstanding that the arbitrator had been appointed at the instance of the other party.

vii) It is also a term of this arbitrator agreement that where the party invoking arbitrator is the contractor, no reference, for arbitrator shall be maintainable unless the contractor, furnishes to the satisfaction of the Executive Engineer-In-Charge of the work, a security deposit of a sum determined according to details given below and the sum so deposited shall, on the termination of the arbitration proceedings, be adjusted the cost, if any, awarded by the arbitrator against the claimant party and the balance remaining after such adjustment or whole sum in the absence of any such cost being awarded will be refunded to him within one month from the date of the award.

<u>Amount of claims</u>	<u>Rate of security deposit</u>
i) For claims below Rs. 10,000/-	2% of amount claimed.
ii) For claims of Rs. 10,000/- and above & below Rs. 10,0000/-	5% of amount claimed.
iii) For claims of Rs. 1,00,000/- and above	7 ½% of amount claimed.

The stamp fee due on the award shall be payable by the party as desired by the arbitrator and in the event of such party's default the Stamp fee shall be recoverable from any other sum due to such party under this or any other contract.

viii) The venue of arbitration shall be such places as may be fixed by the arbitrator at his sole discretion. The work under the contract shall continue during the arbitration proceeding.

ix) Neither party shall be entitled to bring a claim for arbitration if the appointment of such arbitrator has not been applied within 6 months.

a) Of the date of completion of the work as certified by Executive Engineer-in-Charge, or

b) Of the date of abandonment of the work, or

c) Of its non-commencement within 6 months from the date of allotment or written orders to commence the work as applicable, or

d) Of the completion of the work through any alternative agency or means after withdrawal of the work from the contractor in whole or in part and / or its recession or

e) Of receiving an intimation from the Executive Engineer-in-charge of the work that final payment due to or recovery from the contractor had been determined which he may acknowledge and / or receive.

Whichever of (a) to (e) above is the latest

If the matter is not referred to arbitration within the period prescribed above, all the rights and claims of any party under the contract shall be deemed to have been forfeited and absolutely barred by time even for civil litigation not with standing.

x) It is also a term of this arbitration agreement that no question relating to this contract shall be brought before any Civil Courts without first involving and completing the arbitration proceedings as above, if the scope of the arbitration specified herein covers issues that can be brought before the arbitrator i.e. any matter that can be referred to arbitration shall not be brought before a Civil Court. The pendency of arbitration proceedings shall not disentitle the Engineer-in-Charge, HUDA to terminate the contract and make alternative arrangements for the completion of the work.

xi) The arbitrator shall be deemed to have entered on the reference on the days he issues notices to the parties fixing the first date of hearing. The arbitrator may, from time to time, with the consent of the parties enlarge the initial time for making and publishing the award.

xii) It is also a term of this arbitration agreement that subject to the stipulation herein mentioned, the arbitration proceedings shall be conducted in accordance with the provisions of the Arbitration Act, 1940 or any other law in force for the time being.

Clause – 26 No alteration in contract rates shall be admissible in consequence of fluctuation in railway freight when such railway freight is on account of material which is required by the contractor in the manufacturing of an article to be supplied under this contract e.g. Fluctuation in railway freight on coal required for bring bricks will not be taken into consideration, or for an article which forms part of a finished work for purpose of this clause. Similarly no alternation in rates will be allowed when a manufactured article is transported by rail from place A to place B to form part of finished work.

LIST OF MATERIAL TO BE ISSUED BY THE ENGINEER-IN-CHARGE OF THE WORKS TO THE CONTRACTOR

NOTES :

1. All the materials, will be issued at the place of issue given and all the cost of carriage from the place of issue to the site work will be borne by the Contractor and this is included in the rate for the work carried out by the contractor.
2. In case any quantity of cement, steel, coal or any other controlled or uncontrolled commodity for use directly on the aforesaid work of manufacturers or materials required in connection therewith, which is not utilized for the purpose for which it is issued or otherwise disposed off by him or spoiled or lost or allowed to get destroyed or used in excess of the quantities actually required to be used as per specification therein stipulated of these from fixed by the Engineer-in-charge, the cost of such quantities of material shall without prejudice to the other rights and remedies available to the Haryana Urban Development Authority be recoverable from the contractor on double the stock rate at which it is agreed to be supplied to the contractor or double the stock rate for the quantities issue free of cost.
3. **EXCESS / SHORT CONSUMPTION OF MATERIAL RECOVERY FROM CONTRACTOR**
 - a) **For excessive consumption of Material upto 5% (five percent)**

Recovery will be made from the contractor at issue rate plus 3% storage charges.
 - b) **Excessive consumption of material more than 5% (five percent)**

Recovery will be made from the contractor for excessive consumption of materials at panel rate provided in the contract plus three percent storage charges.
 - c) **For short consumption of material upto 5% (five percent)**

The recovery of cost of material less consumed would be made from the contractor at issue rates.
 - b) **In case of less consumption by more than 5% (Five percent)**

The rates of concerned items will be reduced where less materials might have been consumed and the same would be reduced proportionate to the materials used shorter than prescribed. However where it is not possible to determine the exact item on which less materials has been used, the cost of materials would be recovered from the contractor at issue rates and in addition the contractor will be open for disciplinary action by the Divisional Officer. In case where the items of work become non-schedule and non-agreement due to less consumptions of materials, the Executive Engineer may sanction such non-schedule and non-agreement rate upto the power of his technical sanction of original work where amounts larger than those mentioned above are involved, the rates will be got approved from the competent authorities concerned who can approve such rates upto their powers to sanction estimates technically. It should also be left to the executive Engineer to determine whether the structure is

affected adversely by less consumption of material and in cases where he feels that it is likely to be so, it is for him to reject the work and decision in such matters of Executive Engineer, shall be final.

4. 3% storage charges will be levied on all materials issued to the contractor from stock, the cost of which is recoverable.
5. The octroi, terminal tax, royalty and other taxes and charges on the materials issued shall be borne by the contractor.
6. The recovery of material issued by HUDA store shall be made in the usual manner from the running bills for the upto date quantity of such materials issued to the contractor notwithstanding that lesser quantity of material might have been consumed on the work and the balance quantity may be lying in store at the site of work.
7. Material issued at HUDA Store if not used at site will be returned in HUDA Store immediately. In case the materials is not returned or lesser material is returned recovery at panel rate will be made at the rate given in the contract plus storage charge.
8. The other material mentioned in the list will be supplied to the extent of the separate security deposit of suitable amount as per direction of Engineer-in-charge.
